

## Limited Warranty

Michigan Wheel Marine warrants to the original consumer purchaser and original motor fitted, that for a period of one year from the date of purchase, the body of the Michigan Match®, Vortex®, Apollo® or Ballistic® propeller will be free of any defect in material or workmanship that results in blade or hub fracture or failure under normal pleasure boat usage. Michigan Wheel Marine also warrants to the original consumer purchaser, under the same parameters of use described above, that the propeller bushing, including XHS®/XHS II™ hub kit components, will be free from any defect in material or workmanship for a period of one year from the date of purchase. Proof of purchase required for all warranty claims.

Some surface discoloration of propellers and hardware is unavoidable, and will not be covered by this warranty. This warranty also does not cover normal wear, accidental damage, modification, improper installation, improper maintenance, or other circumstances that are not the direct result of a defect in the material or workmanship of the propeller.

The sole obligation of Michigan Wheel Marine under this warranty is to repair or replace the propeller, in the sole discretion of Michigan Wheel Marine, and at its expense. In order to make a replacement claim, please contact the Michigan Wheel Marine Customer Service Department, at (616) 452-6941, for a "Return Materials Authorization" number (RMA#), and shipping instructions. The RMA# is to be indicated along with our given address on the label, and the shipping carton should include your return shipping address, your phone number, and a copy of your original purchase receipt. The warranty will not cover any expense of propeller removal, shipping, or reinstallation of the propeller.

The above warranty is Michigan Wheel Marine's sole warranty for the Michigan Match®, Vortex®, Apollo® or Ballistic® propellers as well as XHS®/XHS II™ hub kits. Michigan Wheel Marine expressly disclaims all other warranties, expressed or implied, including, without limitation, the warranties of merchantability and fitness for a particular purpose and excludes all liability for incidental or consequential damages, loss of use of the propeller, costs, and expenses.

Any actions arising out of this warranty and the sale of this product shall be governed by Michigan law and may only be brought, heard and decided in Kent County Circuit Court, in the State of Michigan, U.S.A., or in the United States District Court for the Western District of Michigan.

Warranty 991010-A

OEM replacement propellers featuring the durable rubber cushion fixed hub. Blade geometry that offers performance, meeting or exceeding the original engine manufacturer's aluminum propeller, at a reduced cost.

High performance replacement propellers utilizing the XHS/XHS II interchangeable hub system. The highly engineered blade design proves ultimate performance in an aluminum manufactured propeller. Available in 3-blade and 4-blade configurations.

Highly polished, ultimate performance, stainless steel propeller featuring CAD designed blade geometry. Utilizes the XHS/XHS II hub system. Available in standard 3-blade, 3-blade large diameter, and 4-blade propellers.

High performance stainless steel propellers with proven Power Tip for peak efficiency. Blade tip and cup combine to improve bite and reduce power loss caused by cavitation. Uses the durable rubber cushion fixed hub to help protect lower end gears if underwater objects are struck.

Michigan Wheel's Xchangeable Hub System absorbs impact and stress caused by shifting gears and is designed to spin under significant impact to help protect your lower unit.

**Ambush4**

Skiboat and towboat propellers that are 100% CNC machined for the ultimate in accuracy, consistency, and performance.

#### **Need Your Propeller Repaired?**

Congratulations, you have chosen a top quality propeller. Should it become damaged during use, you want a qualified trained technician to repair it. Contact the **National Marine Propeller Association (NMPA)** at 616.235.6672 (F: 616.235.0144), or visit them on the web ([www.nmpa.net](http://www.nmpa.net)) for a certified propeller repair shop near you.

Warranty claims are to be addressed directly with **Michigan Wheel Marine** per instructions on the warranty statement, and not the **NMPA**.
