

WESTLAND LIMITED CONSUMER WARRANTY

All warranty inquiries must first be addressed with the retailer or dealer from which the Westland product was originally purchased. Do not return product directly to Westland without an RA number. No returns will be accepted without a RA number.

Westland Industries warrants, to the original purchaser, that its products are free from defects in material and workmanship for the periods listed below:

Accessories: A 90 day warranty covering manufacturer defects applies to all accessories.

Bimini Frames: A 1 year warranty covering manufacturer defects applies to bimini frames.

Covers and Bimini Skins: Any Westland Industries cover proven defective will be repaired on a labors/materials basis or replaced on a prorated schedule dependent upon cover fabric (shown below) based on the retail price of the cover.

Warranty Conditions

Retailer Receipt or Proof of Purchase must be presented for any warranty transaction. Please keep your receipt and any tags removed from your products. Warranty takes effect from date of initial retail purchase. The original purchase date must be clearly displayed on the purchase receipt.

Warranty Items Not Covered

Not covered under warranty is damage caused by misuse, accident, neglect, improper installation (this includes damage by allowing straps to whip against the side of the boat) or maintenance. Warranty is void if your product is contaminated with tree sap, improper chemicals, bleach, gasoline, oils and other liquids not defined to be part of the normal cleaning procedure.

Additional items not covered include damage as a result of animals such as rodents, birds, pets, insects, etc. Product is also not covered if any damage is incurred as a result of coming into contact with sharp objects that would result in punctures or tears. Acid rain and exposure to other pollutants may also void warranty.

Do not allow water, snow, or ice to pool on product as this will degrade the cover's water repellency and potentially cause mildew or premature leakage.

DAMAGED FOR POOLED WATER MAY NOT BE COVERED UNDER THIS WARRANTY.

To prevent this from occurring, it is highly recommended that you install a Westland vented boat pole(#5007-5) or standard boat pole (5010AP) to raise the center of your cover so water, snow and ice run off and do not collect. The Westland vented boat pole will also prolong the life of your cover, as well as help protect your boat's interior from mildew.

All incidental and/or consequential damages are excluded from the warranty. Implied warranties are limited to the life of the warranty. Some states do not allow limitations on how long an implied warranty lasts or the exclusion of incidental or consequential damages, so the above limitations may apply. This warranty gives you specific legal rights. You may also have other legal rights which typically vary from state to state.
